- Age: 59 years
- Position: Manager & Certified Trainer
- Qualification: MSc in Adv Mfg Systems Eng Coventry University, UK

With 35 years of working experience in managing technologies and manpower, he finally ended up his career in human capital development. His specialty is in the technology transfer program, project management and training program. His wealth of experience was amassed from his tenures at Sapura Motor Berhad, ALPS Precisions Sdn. Bhd, EPSON Precisions, and also Matsushita Industrial Corp and now - Asia Edu2ur Resources.

His expertise has also been sought after in his professional capacity as a Freelance Consultant for numerous projects and programs throughout the country. He is also a certified trainer with CIDB from 2010 and involve in the development of CIDB training module for contractors.

- Name: Habibah Md Shariff
- Age: 59 years
- Position: Sr Engineer & Certified Trainer
- Qualification: MSc in Business Engineering Coventry University, UK

A Civil Engineer by profession, Mdm Habibah graduated in 1980 from UiTM in Civil Engineering. She started her career with Jabatan Kerja Raya (JKR) as a civil engineer and was posted in Negeri Sembilan, Johor Bahru and JKR HQ. In 1995, she furthered her studies for Master in Business Engineering at Coventry, United Kingdom.

Upon returning from her studies in 1996, she was posted at Unit Teknologi Maklumat in JKR HQ before being transferred to JKR WP Kuala Lumpur. Soon she moved to Cawangan Kerja Pendidikan & Pengajian Tinggi (CPPT), JKR HQ. Here, she was given the task to manage the funds given by the client.

And now she is seconded to Higher Education Ministry, heading the technical section in planning and supervising all the projects under the ministry. In 2010, CIDB certified her as a trainer for module developed by CIDB and she have been actively involved in the CIDB training program with average of six training program per year.
Prof. Ir. Dr. Mohd. Nawi bin Salleh is a Mechanical Engineer by qualification and certification. His engineering career starts in lecturing at ITM (1971-1984); MUCIA Cooperative Program (1989), CIAST (1991-1993). Then shifted to Engineering consultancy in mechanical engineering building services with Jurutera Konsultan (SEA) (1994-1995). By 1996 he follows the path in construction by joining Safety Link Engineering, a fire-fighting specialist contractor until now. In 2003, he returned to the arena of engineering consultancy with Perunding Gagasan Prima and remain until today. During this time, he broadened the engineering consultancy practice to cover commercial vehicles build industry and associated works that require approval of Road Transport Department of Malaysia. By 2011-12013 he returned to training when appointed as Adjunct Professor (Faculty of Mechanical Engineering, UiTM).

Hilwani Shahimi started his career by joining Celcom as a Planning Engineer in May 1995 till May 1999. He then joined Landasan Network Services (Malaysia) Sdn.Bhd as a Project Manager, overseeing all projects for telecommunication industries. In October 2009 he went to Perth Australia and worked with G.S Trading Services Pty Ltd as a Project Manager. He then moved to Huawei Technologies a Project Manager and based in Brunei from Nov 2011- Dec 2012. Later he becomes a Senior Manager for Infrastructure Program Management at Authority for Info-Communications Technology Industry of Brunei Darussalam (AITI) (March 2013 - July 2016). Hilwani also attended few courses that qualified him to be a certified trainer. He also obtained his Project Management Professional (PMP) Certification from Project Management Institute (PMI) in 2010. He is now a member of Project Management Institute (PMI), Western Australian and Malaysian Chapters.
Name: Ahmad Zahid Shukri
Age: 28 years
Position: Facilitator & Photographer
Qualification: Dip. in Business Studies KPM
Cert. Basic Safety Training & Tanker Familiarisation

Starting his career as a Telesales with HSBS Kuala Lumpur, Zahid’s career move to many different business sectors such as Able Bodied Seaman for tug boat, Site Supervisor for telco, fiber optic installer and sale promoter. In 2016, he set up a joint venture company for event and management. Specialising in photography and videography for wedding and events, he later joined Asia Edu2ur Resources in 2017 as the facilitator for training program. The facilitator works required him to travel thru out the country and independently. His main task is to identify suitable locations, develop activities and ensure safety thru out the program.

Name: Izainil Ikhwan Rosly
Age: 33 years

Qualification: Prof Cert in Graphic design & Advertising (IKM)

Izainil advance in photography and videography shooting for any event. He operates and maintains proper levels and calibration of cameras, audio and video recorders, and other production equipment. He can create and insert static motion graphic. He also supports the team throughout the production process, which may include finding interview subjects, creating graphics, and presenting to client. He has creative talents and ideas to always find new ideas, concept and skills.

In 2017, he joint Asia Edu2ur as a facilitator and videographer. His main task is organizing activities for training, study tour and team building. This includes sourcing of location for training, team building, tours and events.
Nora has more than 11 years of experience in human resource, administrative and training. After graduating in Bachelor Degree of Psychology from University Malaysia Sabah, she started her career with Kelab Rekreasi Tentera Udara, Pengkalan Udara Subang as a Personnel Executive. At KRTU, she gained extensive knowledge and experience in administrative and human resources management. Later, she was offered a post of HR Cum Account Administrative at Victoria Crest Sdn Bhd. After five years of gaining knowledge and experience, she decided to leave the company to start her own business as a HR and Admin Freelancer. In 2017, she joined Asia Edu2ur as a trainer and facilitator for training and team building program.

Before being a staff member at Asia Edu2ur, Syuhaidah was a staff member at one of the companies that conducted the training. Being proficient in handling duties as an admin makes her comfortable in doing administrative work. After graduating from college, she has several working experiences including being a salesperson at the Mall, clerks at printing companies, admins in training centers and some other work experience.
Scope of Work

Training

Asia Edu2ur offers a wide range of unique programs, seminars, workshops, conferences, customized corporate activities, and consultancy services. As companies today are constantly looking to do more with less investment, personnel responsibilities and scope of works need to be increased and skills needs to be expended. We assist an organizations to identify the required training modules that enable the participants to continuously enhance their professional and personal development and increase their values to their organization.
